ORDER

This revision petition is filed preferred against the award of the Additional District Judge, Palakkad in O.P.(Ele) No.22 of 1993. The learned District Judge has awarded an additional compensation of Rs.24,000/- with 6% interest. The court did not grant any additional compensation for the trees cut and removed. So far as the land is concerned, the court found that 60 cents of land had been directly affected. The court accepted the value of the land at Rs.2,000/- per cent and only calculated the diminution in land value at 20% and awarded an enhanced compensation of Rs.24,000/-. It is seen that it is a very fair calculation and by any stretch of imagination, it cannot be said on the higher side. The court has stated cogent reason and therefore the award does not suffer from any infirmities and illegalities and therefore the Civil Revision Petition is dismissed.

M.N.Krishnan,
Judge.
